

For Immediate Release:

Exemplar Secures Long-Term Lease for Office Space in Downtown San Diego

San Diego, California 30 July 2010 – Exemplar Leadership Development & Training announce that they have secured a long-term lease for office space at 402 West Broadway, Emerald Plaza in downtown San Diego.

“For the past year, Exemplar has sub-leased office space on the 20th floor of Emerald Plaza located at 402 West Broadway, San Diego, CA 92101. During that time, we simply fell in love with the building,” stated Anthony Martin, Managing Director at Exemplar. “After one year at this location we knew that here is where we wanted to hub our West Coast operations.”

Emerald Plaza is a Class A office building that is connected to the Westin Hotel by a spectacular lobby which includes several restaurants, bars and flowing waterfalls. Its unique shape – eight interlocking hexagons, outlined with neon green light, defines the downtown San Diego skyline.

“There were certain must-haves we went looking for in a headquarters and Emerald Plaza delivered on all of these.” Emerald Plaza is at the heart of downtown San Diego’s Marina District and is centrally located to the airport, convention center, restaurants, hotels and the train station with multiple daily lines to Orange County and Los Angeles.

“Our new offices on the 4th floor also afford us the opportunity to grow. We can lease additional space as our size continues to increase to meet the demands of our customers. Additionally, there are training facilities at our new location as well as banquet rooms and meeting space available through the Westin Hotel connected to the property. It’s an ideal place to host a corporate meeting utilizing Exemplar’s training and development solutions.”
